Hydronic Expansion Tanks

Extrol Model

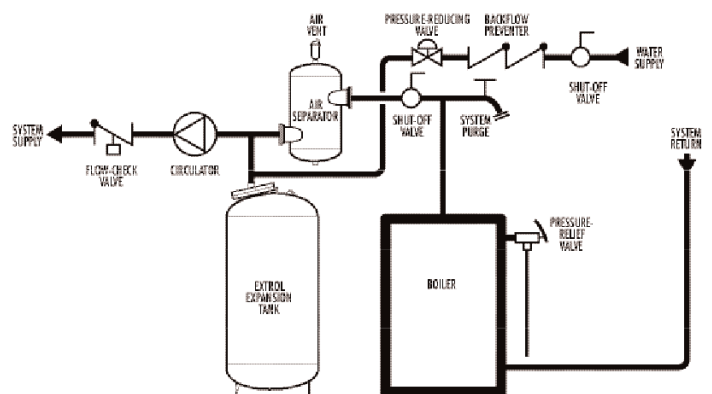

*Working pressure up to
250psi*

*Capacity from 7.5 L up to
15000 L*

Air Separators Available with or without Strainer

*Working pressure up to
150 psi*

Size from 1" up to 24"

Typical installation of Commercial Models

Zurn Cleanouts

Application

Finished floor areas
 Heavy traffic and industrial areas
 Medium traffic and areaways
 Exposed drainage lines

Concealed drainage lines
 Finished wall areas
 Access covers and boxes
 Air inlets
 General purpose

Z-1462
 Secured wall access panel

Z-1461
 Cast Iron access panel

Z-1460
 Nickel Bronze access cover

Z-1456
 Deck cleanout

Z-1455
 Floor cleanout with
 Flashing flange

Z-1454
 Adjustable floor cleanout
 with Flashing Flange

Z-1449
 Cleanout Ferrule with plug

Z-1446
 Wall cleanout with Access
 cover

Z-1445
 Tee cleanout

Z-1444
 Floor cleanout with access
 cover

Z-1440
 Floor cleanout with
 countersunk plug

Z-1404
 Floor access housing

Z-1400
 Adjustable floor cleanout

Z-1402
 Non-adjustable floor
 cleanout

Z-1457
 Floor access cover

Zurn Floor Drains

Application

Automobile parking area
Basement and subterranean areas
Boiler house and Maintenance areas
Clinical, Surgical, Detention Areas
Entrances and Concourses
Finished area/gutter
Finished interior floor areas adjustable
Food preparation areas
Garage, Hangar, and Service areas
Volatile liquid interceptors
Indirect waste area (condensate & drip)
Industrial areas – Vertical adjustment
Extra heavy duty
Heavy duty
Medium duty
Traps and backwater valves
Planting area
Prison cell (multi-purpose) roadways
Waste disposal areas

Z-300
Thoroflush Drain

Z-315
Vandal Proof Access Drain

Z-348
Dome Type Planting Area Drain

Z-356
Multi-inlet Adjustable Floor Drain

Z-529
Solid Hinged Light Duty Drain

Z-530
Deck Drain

Z-526
Adjustable Medium Duty Drain

Z-541
Heavy Duty Drain

Z-548
Heavy Duty Drain with Integral Trap & Cleanout

Z-415
Body Assembly with 'T' Strainer

Z-453
Deep Seal Trap With 'B' Strainer

Z-572
Gutter Drain

Z-662
Extra Heavy Duty Trench Drain

Z-665
Heavy Duty Trench Drain

Z-328
Funnel Converting Assembly

Zurn Roof Drains

Application

Main Roof
 High Capacity
 Water Insulated Main Roof
 Medium Area
 Inverted Membrane Roof Deck
 Overflow
 Penthouse and Small Area
 Promenade and Patio

Parapet Scupper
 Canopy and Terrace
 Expansion Joints
 Downspout Boot
 Vent Cap
 Flashing Sleeves and Scupper
 Sleeves
 Downspout Nozzle

Z-100
Main Roof Drain

Z-104
Deep Sump
Roof Drain

Z-105
Control Flo
Floor Drain

Z-107
Wide Deck Flange

Z-108
Deck Drain

Z-125
Roof Drain
Low Silhouette Dome

Z-127
Deck Receptor Drain

Z-154
Pram Deck Drain

Z-160
Scupper Drain

Z-181
Cornicle Drain

Z-190
Vertical Expansion Joint

Z-193
Vandal Proof Hooded Vent
Cap

Z-195
Vent Stack Flushing Sleeve

Z-198
Parapet Scupper Drain

Z-199
Downspout Nozzle

Wilkins, a Zurn company
